## The Twelve Traditions of Processed Food Anonymous

- 1.** Our common welfare should come first; personal recovery depends upon P.F.A. unity.
- 2.** For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.** The only requirement for P.F.A. membership is a desire to stop ingesting processed food.
- 4.** Each group should be autonomous except in matters affecting other groups or P.F.A. as a whole.
- 5.** Each group has but one primary purpose — to carry its message to the processed food addict who still suffers.
- 6.** A P.F.A. group ought never endorse, finance, or lend the P.F.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

**7.** Every P.F.A. group ought to be fully self-supporting, declining outside contributions.

**8.** Processed Food Anonymous should remain forever nonprofessional, but our service centres may employ special workers.

**9.** P.F.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

**10.** Processed Food Anonymous has no opinion on outside issues; hence the P.F.A. name ought never be drawn into public controversy.

**11.** Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.

**12.** Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
